Math 7 Supply List

- Pencils – either:
 - 1 mechanical pencil with refills and 1 HB Pencil, or
 - at least 12 HB Pencils
- At least 2 white erasers
- Handheld pencil sharpener with container
- Two 1-subject 160-page 3-hole notebook with perforations
 - Best example: Hilroy 160-page neatbook #05627
- One 1-subject 80-page 3-hole graph notebook with perforations
 - Best example: Hilroy 160-page neatbook #05664
- One zipper binder
 - This binder will be shared with all other classes you have the same day as Math, so 4 subject dividers may be useful as well.
- One geometry math set with adjustable screw tension
 - Best examples: Staedtler Xcellence Math set, Maped 9-piece math set 194647, Oxford Helix set of mathematical instruments
 - Must include protractor, compass, ruler
- One simple calculator
 - Best example: Casio Pocket Size Calculator HS-8VA

Acceptable Tools include 30cm / 12" Ruler (metric and imperial), coloured pencils (blue and red are best), Scientific Calculator and Loose Lined Paper (but only if your student is well-organized)

Unacceptable Tools include pens of any type, pencil sharpeners without containers, coiled notebooks that do not have perforations, graphing calculators, cellphone calculator apps.

This list is compiled to provide the best opportunity for your students in my Math class, but may not match other teachers' lists. Please ensure your student is well-supplied.
